

Ben Patwa

Ben is an expert in communication, messaging and modern sales strategies utilizing principles of neuroscience and behavioral psychology. His expertise has made him a go-to consultant and performance coach for a diverse clientele across 36 countries including entrepreneurs, 87 TEDx speakers, large organizations, professional athletes, and Grammy & Oscar award-winning artists.

Ben grew up back and forth between the UK and the US, and with European and African parents he developed a knack for communicating and mediating between diverse cultural and leadership styles. He started and exited several global businesses giving him a wealth of insight into leading high performing teams with diverse cultural backgrounds. Ben holds a Masters in Business Administration (MBA) with a concentration in Global Leadership and Organizational Psychology.

He also holds advanced certifications in Behavior Change, Value Optimization, Lean & Agile Project Management and Social Media Marketing. Ben has trained tens of thousands of clients from the stage, online and in-person, from multi-day intensives to workshops to masterminds.

He shares his thought leadership as a Bestselling Author and a contributing writer for Entrepreneur Magazine, Inc, Forbes, The Good Men Project, Thrive Global and as a LinkedIn Advisor.

About PMA Philadelphia

Founded in 1995, Priority Management Associates (PMA) is a premier talent development company and a trusted partner to human resources and organizational development professionals worldwide. We specialize in elevating the skills and capabilities of leaders, teams, and entire workforces by delivering transformative learning solutions tailored to each client's unique needs.

At PMA, we offer a diverse portfolio of services, including ready-to-implement and custom-designed training programs, engaging group workshops, and instructor-led webinars. Our time-tested learning and development tools are meticulously customized to address the specific goals and challenges of our clients, ensuring impactful and lasting results.

With a global reach, PMA has successfully designed and executed comprehensive learning initiatives across industries such as healthcare, life sciences, finance, higher education, manufacturing, the federal government, and more. Our innovative programs empower organizations to enhance workforce productivity, strengthen leadership pipelines, and foster a culture of continuous improvement.

PMA Philadelphia remains committed to delivering exceptional training experiences that drive measurable outcomes, making us the partner of choice for organizations seeking to unlock their full potential.
