

Katy Mayo

For over 25 years, Katy Mayo, has provided classes to clients nationwide, including on some of the most current, cutting-edge software used in the workplace. As a trainer, Katy combines technical and subject matter expertise to provide on-site training from front-line employees to individuals in the C-suite.

From full day trainings to one-hour classes, or an individualized one-on-one training session, Katy relies on a hands-on approach that ensures her clients develop or improve the software skills that they need to perform their jobs. As a **Microsoft Office User Training Specialist and Certified Virtual Trainer**, numerous companies have sought out Katy due to her professional expertise. Katy also has developed and taught hundreds of specialized programs that teach technologies to the senior population. Katy specializes in our **WorkingSm@rt** suite and delivers both **Working Sm@rt + Excel** and **WorkingSm@rt + OneNote** for us.

Katy has provided training to companies in a number of different industries, including insurance, automotive, health care, construction, real estate, education, banks, colleges and local municipalities.

About PMA Philadelphia

Founded in 1995, Priority Management Associates (PMA) is a premier talent development company and a trusted partner to human resources and organizational development professionals worldwide. We specialize in elevating the skills and capabilities of leaders, teams, and entire workforces by delivering transformative learning solutions tailored to each client's unique needs.

At PMA, we offer a diverse portfolio of services, including ready-to-implement and custom-designed training programs, engaging group workshops, and instructor-led webinars. Our time-tested learning and development tools are meticulously customized to address the specific goals and challenges of our clients, ensuring impactful and lasting results.

With a global reach, PMA has successfully designed and executed comprehensive learning initiatives across industries such as healthcare, life sciences, finance, higher education, manufacturing, the federal government, and more. Our innovative programs empower organizations to enhance workforce productivity, strengthen leadership pipelines, and foster a culture of continuous improvement.

PMA Philadelphia remains committed to delivering exceptional training experiences that drive measurable outcomes, making us the partner of choice for organizations seeking to unlock their full potential.
