Jennifer Stutzriem

Jennifer is an empowering leadership development coach and learning strategist with over 20 years of experience shaping high-performing leaders worldwide. Having taught and facilitated programs across the globe, she specializes in accelerating leadership capability across industries such as technology, aerospace, healthcare, and finance.

A trusted advisor to executive talent, Jennifer has coached for premier Executive MBA programs at MIT, The University of Texas at Austin McCombs School of Business, the University of Washington Bothell School of Business, and the Asian Institute of Management. She frequently partners with leaders transitioning from subject-matter expertise into complex people leadership, using targeted assessments to build executive presence, enhance communication across differing styles, and drive retention.

From C-suite executives to high-potential managers, Jennifer equips organizations and Fortune 500 companies with the scalable frameworks needed to lead high-performing teams with confidence and clarity.

About PMA Philadelphia

Founded in 1995, Priority Management Associates (PMA) is a premier talent development company and a trusted partner to human resources and organizational development professionals worldwide. We specialize in elevating the skills and capabilities of leaders, teams, and entire workforces by delivering transformative learning solutions tailored to each client's unique needs.

At PMA, we offer a diverse portfolio of services, including ready-to-implement and custom-designed training programs, engaging group workshops, and instructor-led webinars. Our time-tested learning and development tools are meticulously customized to address the specific goals and challenges of our clients, ensuring impactful and lasting results.

With a global reach, PMA has successfully designed and executed comprehensive learning initiatives across industries such as healthcare, life sciences, finance, higher education, manufacturing, the federal government, and more. Our innovative programs empower organizations to enhance workforce productivity, strengthen leadership pipelines, and foster a culture of continuous improvement.

PMA Philadelphia remains committed to delivering exceptional training experiences that drive measurable outcomes, making us the partner of choice for organizations seeking to unlock their full potential.
